

# This holiday season, a light will shine to remember your loved one.

Help light up the night this holiday season by naming a light on the Tree of Light to honor and remember the life of someone who has been special to your life or the lives of others.

The Tree of Light is for all who wish to honor and remember the lives of their loved ones. The community ceremony of the Tree of Light offers you an opportunity to spend quality time with family and friends to share memories and acknowledge the people who have inspired and touched your life. The candle and tree lighting celebration features music and readings and facilitates togetherness and reflection.

It is not necessary that someone was in hospice care in order to name a symbolic light in this very special holiday tribute. Names are listed on the Tree of Light Memorial Roll and read aloud during the ceremony. When the lights go on at the end of the ceremony, your named light(s) will shine as a beacon of your love and remembrance of someone special – together with the warming glow of hundreds of others.

At the same time, your tribute donation will help others. Your donation will benefit VNS' Hospice at Home™ program to deliver comfort, compassionate care and emotional support to people who are at the end of their life, and to their family members.

The 19th Tree of Light is on Thursday, December 10, 2009 at 6:30 p.m. except Southport at 6:00 p.m. Our trees will illuminate regardless of weather conditions. Please join us for refreshments following the ceremony.
